FOR IMMEDIATE RELEASE:

MRHD to Announce 2023 Economic Development Match Grant Award

SIOUX CITY – Missouri River Historical Development (MRHD) will announce the recipient of their 2023 Economic Development Match Grant in the Anthem at Hard Rock Hotel & Casino Sioux City on Tuesday, April 11th at 10 AM. This event is open to the public and media.

The MRHD Economic Development Match Grant is a competitive grant opportunity that provides up to \$1 million and is designed to bring other funders together, and to support economic development projects within Woodbury County that need potentially higher levels of funding and collaboration. The grant must be matched dollar-for-dollar with cash or in-kind contributions, and the project must be completed within two years.

“We’re very excited to announce the recipient of this year’s Economic Development Match Grant, says Steve Huisenga, President of MRHD. “The community has greatly benefited from previously funded economic development projects such as the Expo Center in Sioux City and the new medical facility being built in Merville. We anticipate there being lots of public support and excitement for the economic development project that will be supported by this year’s grant, and we look forward to seeing a great turn-out at the official announcement event,” says Huisenga.

MRHD is the non-profit organization that holds the license for gaming in Woodbury County. Its funding is generated from an agreement between MRHD and Hard Rock Hotel and Casino Sioux City which allows Hard Rock to run a gaming operation in Woodbury County using MRHD’s gaming license.
